

Living IN Faith 
TOGETHER WITH JOY
JESUS-OTHERS-YOU

Activity Groups

Apostle Paul shared this with new Christians and it is our mission too.

1 Thessalonians 5:11
Therefore encourage one another and build one another up in Christ.

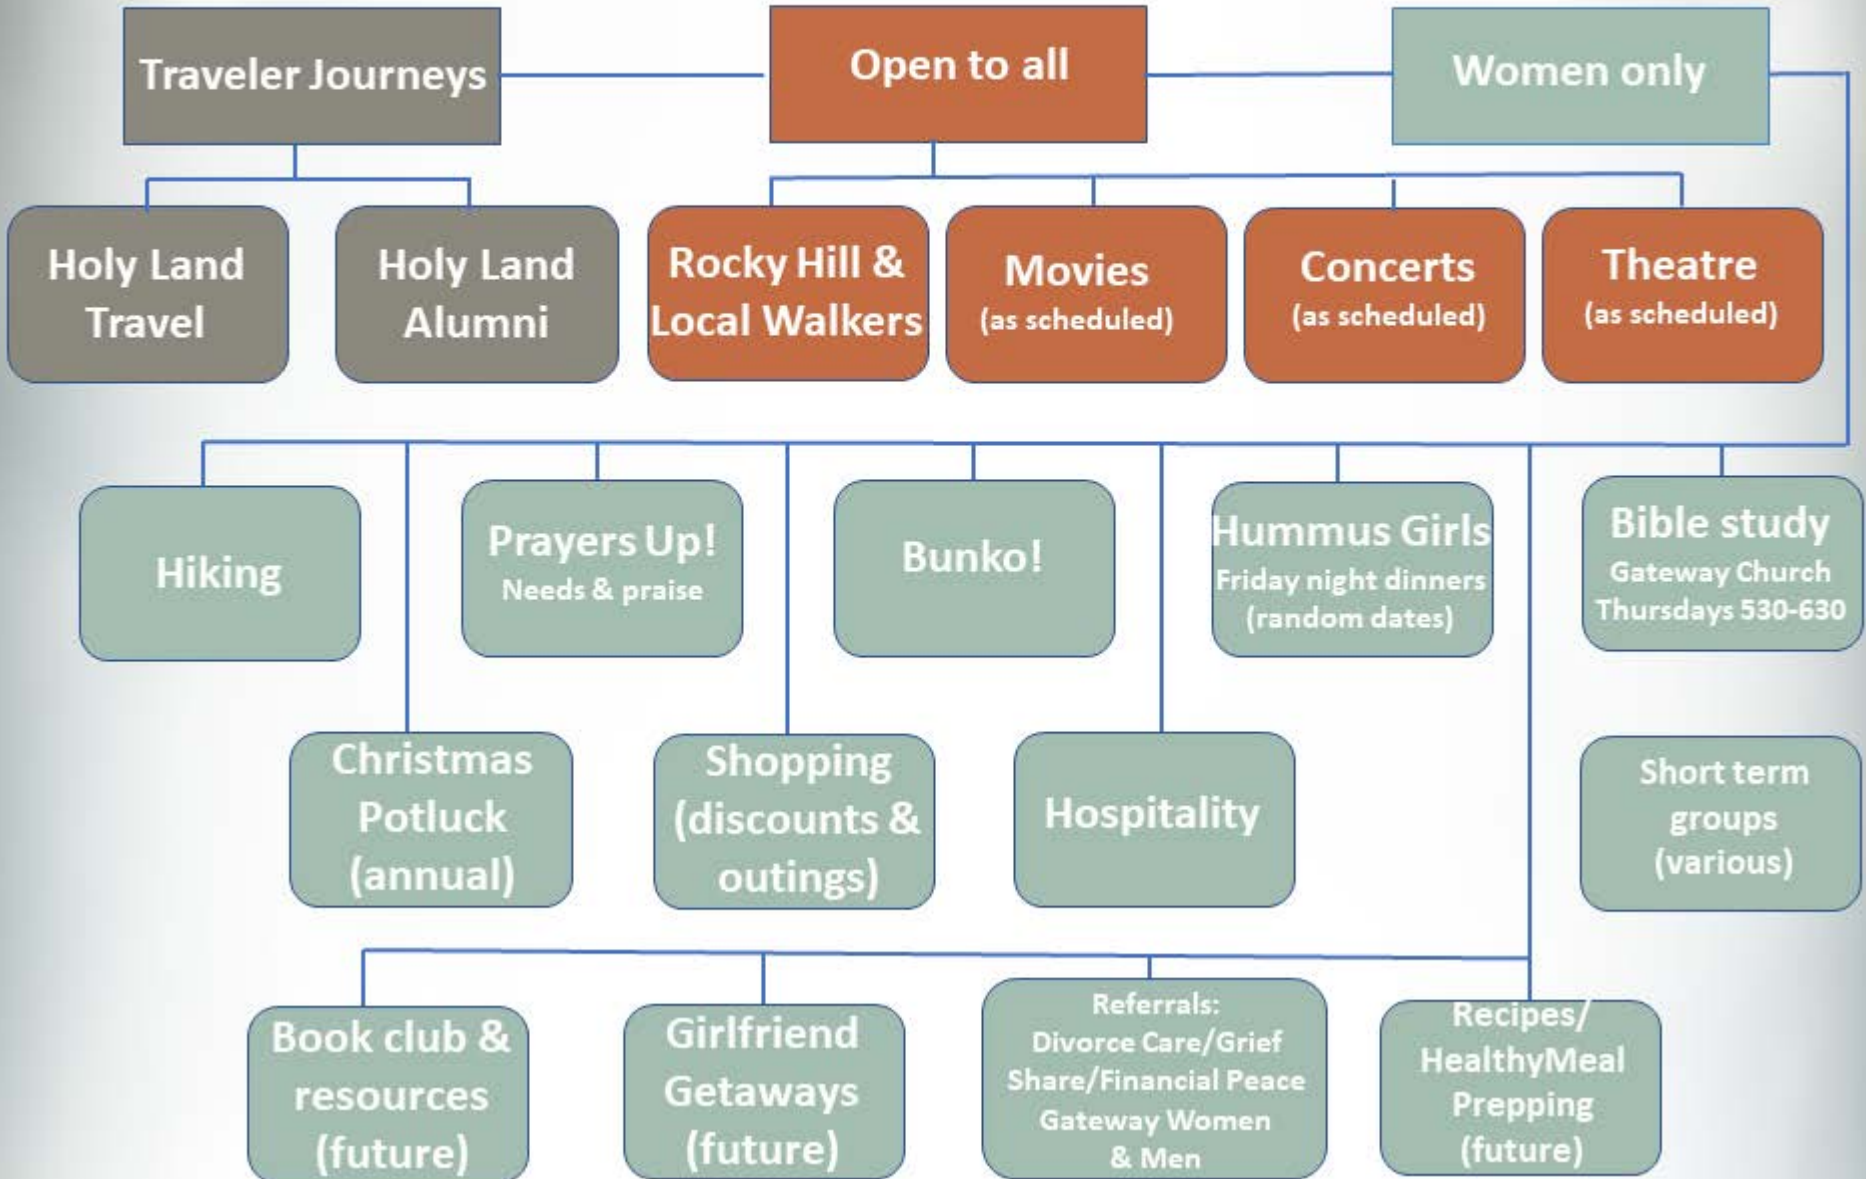

We all need fellowship and connection! Whether we are in a new place, at a new stage of life, have lost friends or loved ones, or just need a fresh start, it is hard to find where you belong & people to share life with.

We started these Activity Groups as a subset to our Discipleship in Unexpected Ways ministry that also takes people to the Holy Land (and other places) through TravelerJourneys.life

We want to help people feel welcome, seen, heard, valued, loved, and supported! We also have a lot of fun! Join us in all or part (or lead a group!) and grow your life with us as we make new paths, friends, and memories!

All are welcome. Most activities are in/around Visalia California.
