

GREECE

September 27 – October 5, 2026

(Travelers coming from Turkey will start Greece on September 29 after Ephesus; travelers starting in Greece will fly to Izmir, Turkey and go to Ephesus with everyone already in Turkey.)

Join us in following part of Paul's journey through the islands & land of gorgeous Greece!

The tour will be hosted by our ministry, Traveler Journeys, and planned with America Israel Tours (AIT) as part of our Holy Land program. Greece is a proven favorite of our travelers who want to extend their Biblical travel beyond Israel. We enjoy many islands, have fun on the cruise, & explore important land sites as we learn the impact of Paul in this part of the world.

We are also pleased to present Rich Liverance, M.A., ThM, Dmin, as the teaching pastor on this tour. His ability to connect Scripture to archaeological sites and convey God's message with enthusiasm and heart will extend your Biblical knowledge beyond your imagination.
