

SUGGESTED PACKING LIST

BAG OPTIONS

- Pack LIGHT! One 21-22" wheeled carry-on bag and a backpack/tote should be sufficient even for a 4-country tour. Consider a rolling duffel or hard side rolling bag with 4 good wheels and extendable handle.
- Take an extra foldable tote that will fit over your luggage handle to use for dirty laundry or souvenirs. You can check your bag on the way home and carry your backpack/tote and extra tote on the plane.
- You will have to personally move everything you bring through the airports so take only what you can carry.
- All clothing should be comfortable, breathable, travel friendly, and useful in varying temperatures.
- Most hotels can do laundry for you at a reasonable cost or you can wash in sinks/showers.
- Hotels except the last one in Egypt will have blow dryers – don't bring one. Shavers & other high-power electronics must use power converters + adapters.
- Put a copy of your itinerary with your contact info in each bag. Debbie will have a copy of your passport.
- We prefer to carry luggage on the plane (so it doesn't get lost) but you can check it if needed. Check your airline for size & weight limits.
- All liquids and aerosols must fit in ONE sealed quart size bag or TSA approved equivalent.
- Check this amazon list for suggested items. [Amazon.com](https://www.amazon.com)

Fall weather will vary greatly between countries & day to day. Be prepared with clothes for hot to cool weather.

We have traveled to Israel, Egypt, & Jordan in October/ November several times. The weather has always been very comfortable with no rain but we cannot predict what it will be this year. Plan for varying temps!

Layers and natural fibers like cotton, linen, and wool are best. Sun-protective clothing may be helpful if you are sensitive.

All clothing should be modest and comfortable. For Fall tours, it is best to layer clothes and be prepared for weather changes throughout the day.

Pack in Backpack/ Tote

Think about what you would need if your main bag were lost.

One change of clothes + light jacket and compression socks for plane if needed

Electronics/chargers/camera/phone; glasses & sunglasses

Medicines

Reading material/activities, Bible or bible app, notebook, pen

Valuables– condense your wallet, take only what you need

Quart size toiletry bag with toiletries & toothbrush

Travel documents & passport

Smaller purse/crossbody bag/waist wallet for use off bus

Money/credit cards/insurance cards

Pack in Main Bag

See last page for suggested quantities. It's OK to re-wear clothing and you can wash.

Shirts - short sleeve or sleeveless, long sleeve to layer

Dresses or skirts (for women)

Pants, capris (women's knees must be covered some days); jeans; zip off pants/shorts work well

Swimsuit & coverup +quick dry towel or clothes you can get wet in for several activities

Shorts/T or gym clothes for optional hikes or free time

Shawl, scarf or sweater for women to cover shoulders

Jacket for cold evenings (suggest puffer type that stuffs in ditty bag); rain jacket/light jacket that folds into pouch

Underwear, socks bras, sports bras

Sleepwear/robe

Seriously think about what you pack and how much you take. You can get by with a minimum of clothing as you can wash and no one cares if you wear the same thing often. Be comfortable and have clothing options. Most importantly, take comfortable shoes for walking/hiking on uneven surfaces and shoes/sandals (no metal!) that can go in water.

It is helpful to have a backpack or tote bag for the plane and to use on the bus but also to have a cinch sack or smaller bag for off-bus use.

Main Bag continued	
	Good walking shoes with a good tread & non-slip sole + sandals with heel strap. No flip flops. Water shoes with heel strap (no metal) can double as slippers for plane. Wear all shoes in before the trip so you know they are comfortable and non-slip.
	If you plan to HIKE to the top of Mt. Sinai or Masada, take trail shoes & layers/heavier clothes /gloves/hat for cold night weather
	Anything else you don't need on the plane and is replaceable.
Optional	As you may need...
	Small first aid kit, pain relievers, moleskin for blisters, motion sickness pills, sunscreen, diarrhea prevention for Egypt, etc.
	Wet wipes or small towel for washing on plane, hand sanitizer
	Hat or visor with tie for hot, rainy or windy days; small umbrella
	Cell phone with international plan (or use WIFI only); download WhatsApp app
	Spare cell phone charger with 3-4' cable for bus + cable for hotel; neck lanyard for phone; camera and/or spare SD card for phone if needed
	Envelope or pouch to hold receipts/stubs/tickets/papers
	Power adapter (type C plugs/2 round prongs for EU use) for charging devices with all necessary cables
	Sunglasses/glasses with case/cord; contacts/solution
	Powdered laundry detergent for sink washing; mesh laundry bag
	Packable towel to dry off on water days and use as blanket on plane Waterproof pouch for wallet/glasses on water days
	Wrinkle releaser – spray, must fit in quart bag; Ziplock type bags to put wet clothes in
	Compression bags to organize clothing in luggage Slim water bottle (not essential as bottled water is available)
	Neck pillow/blanket for plane; luggage straps to wrap around luggage; AirTags/Tile trackers (essential if you check bags)
	Carabiners to attach things and close zippers; walking poles
	Earbuds/earplugs, eye mask, Packaged snacks, gum, mints
